New Age International

## Brief History

Established in 1966, New Age International Publishers is the market leader in educational books and is now ranked among leading publishing houses bringing out professional and college level textbooks in Commerce & Management, Science & Technology and Medical Sciences.

## Scope and Coverage

The New Age International published 3000+ titles in various disciplines of Science and Technology, Management and Commerce, Medicine, Social Sciences and Humanities. Each of the subject area covers more narrower subject areas. Such as Medical area covers various narrower

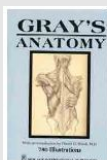

areas like Anatomy, Blackwell Science Series, Cardiology, Cardiovascular Systems, Dental, Endocrinology, Forensic Medicine etc. Similarly engineering, pure science, mathematics also covers more narrower area.

### Kind of Information

Each entry of this tool provides the bibliographic information like title, author name, publication year, ISBN Print), ISBN(Online), price , edition, pagination, binding, content of the book, review of the book and cover page picture. An example is given below under broad subject ‘Medical’ and under Medical narrower subject ‘Anatomy’ for clear understanding.

	<p><b>1. Essentials of Anatomic Pathology</b>  <b>Cheng, Liang</b> , Associate Prof., of Pathology and Urology, Indiana University School of Medicine, Indianapolis, IN.  <b>Bostwick, David G.</b> , Medical Director, Bostwick Laboratories, Richmond, VA.</p> <p>This second edition of a much praised and widely used reference manual on anatomic pathology has been extensively revised and expanded to cover the entire field of anatomic pathology, including molecular pathology, human genetics, electron microscopy, microbiology for surgical pathologist, transplant pathology, and cytopathology. A panel of 70+ recognized authorities from around the world have.... <a href="#">View More Details</a></p> <p><b>PRINTED BOOK DETAILS:</b>  <b>ISBN : 978-81-8489-027-3</b>    <b>Publication Year : Jan, 2009</b>    <b>Edition : 2nd</b>    <b>Pages : 1472</b>    <b>Price : Rs. 2495.00</b>    <b>Binding : Paperback</b></p>

**About the Book:**

This special low-priced edition is for sale in India, Bangladesh, Bhutan, Maldives, Nepal, Myanmar, Pakistan and Sri Lanka only.

**About the Author:**

Henry Gray, F.R.S., Fellow of the royal college of Surgeons: Lecturer on anatomy at St. George's Hospital Medical School.

**Contents:**

- Descriptive and Surgical Anatomy
- The Articulations
- Muscles and Fasciae
- The Blood-vascular system
- The Lymphatics

### Special Features

➤ One can ask for printed catalogue through their specific format.

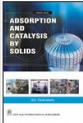

- Their e-book catalogue link also available here.
- Specially one can search online book catalogue for only new release.
- Good feedback option, helpdesk option present here.
- Users can maintain their own account via username and password.

### Arrangement Pattern

Broad subject areas are arranged here in alphabetical order. Then under a particular broad subject narrower subjects are also arranged in alphabetical order. e.g.:

Engineering	General Books	Humanities
<ul style="list-style-type: none"> <li>• Architecture (2)</li> <li>• Automobile (5)</li> <li>• Chemical (156)</li> <li>• Civil (150)</li> <li>• Common to all branches (262)</li> <li>• Computer Science (254)</li> <li>• Electrical (159)</li> <li>• Electronics (239)</li> <li>• Information Technology (118)</li> <li>• Mechanical (271)</li> <li>• Metallurgy (47)</li> <li>• Mining (57)</li> <li>• Production Engineering (68)</li> <li>• Telecommunication (42)</li> <li>• Textile (10)</li> </ul>	<ul style="list-style-type: none"> <li>• General Books (135)</li> <li>• History and Indology (23)</li> <li>• Library and Information Science (7)</li> <li>• Sudoku (4)</li> <li>• Webster's Dictionary. (8)</li> </ul>	<ul style="list-style-type: none"> <li>• Home Science (28)</li> <li>• Hotel Management (21)</li> <li>• Psychiatry. (16)</li> <li>• Sociology (12)</li> </ul>

Finally under the narrower subjects one can sort retrieved document according to A – Z, Z – A title wise, A – Z, Z – A author wise and publication date wise. There are some examples given below.

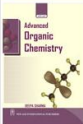

**2. Adsorption and Catalysis by Solids**  
**Chakrabarty, D. K.**, Professor Emeritus, Indian Institute of Technology, Bombay, Mumbai.

The book aims at introducing the beginner to the complex, multi-disciplinary subject of heterogeneous catalysis. It discusses various aspects of adsorption on solid surfaces as adsorption is the first step in a heterogeneous catalyzed reaction. Considering its importance, one chapter has been devoted to the characterization of catalysts. Preparation and methods of evaluating the performance of.... [View More Details](#)
