Name of the Tool	**E-Books Directory**

Home Page	
Logo	
URL	http://www.e-booksdirectory.com/
Subject	Electronic books - Directories
Accessibility	Free
Language	English
Publisher	E-Books Directory

|	
Brief History	The site was launched in 2008 with a database-driven web site using PHP scripting language and MySQL relational database. Collection on 26th December'2008 was about more than 5,000 pages of both beginning and advanced tutorials, hands-on guides, programming tips and source code listings. It added sitemap option in 9th March, 2009. Then RSS button was added on 12th February, 2009. On 3rd January of that year, the E-Books Directory counter reached 1,000 and continued to grow.
Scope and Coverage	There are currently 9996 e-books listed in 673 categories. E-Books Directory is a daily growing list of freely downloadable ebooks, documents and lecture notes found all over the internet. Anyone can submit and promote his/herown ebooks, add comments on already posted books or just browse through the directory and can download anything according to need.
Kind of Information	This directory provides information on a variety of categories and their sub categories. Some of those are as follow :

- **Health, Mind & Body**
  Diets & Weight Loss   Disorders & Diseases   Exercise & Fitness   Mental Health   Personal Health   Psychology & Counseling
  Recovery   Reference   Relationships   Safety & First Aid   Self-Help   Self-Improvement   Sex
- **History**
  Africa   Ancient   Asia   Europe   Middle East   Military Science   United States   World
- **Humanities**
  English as a Foreign Language   Foreign Languages   Linguistics   Philosophy

Books on each macro and micro category are described with photo, ISBN, publisher, short description etc. including the hierarchy. As for example, **Osteoarthritis** is the micro category of **'Health'** and it shows following result :

Home >> Health, Mind & Body >> Disorders & Diseases
Home >> Medicine >> Diseases

Osteoarthritis

Publisher: Royal College of Physicians 2008
ISBN-13: 9781860163296

Description:
This guideline applies to people with a working diagnosis of osteoarthritis who present for treatment or whose activities of daily living are significantly affected by their osteoarthritis. The management of neck or back pain related to degenerative changes in spine are not part of this guideline.

(online html)

Free practice problems, maths problems etc. are given for the students.

New additions to E-books directory provides information on recently added e-books. That type of information includes the photo, brief description, title, author and submission date of each newly added e-book. An example is given here :

Open Content: A Practical Guide to Using Creative Commons Licences
by **Till Kreutzer - Wikimedia**
The intention is to provide interested individuals and organisations with practical guidelines for the use and application of open content licences: How do open content licences work? How do I choose the most suitable licence for my individual needs?
(submitted on 2017-01-09)

Top 20 and **popular** e-books columns give information on its brief description, photo, title, author and no. of views. Such as :
