Red Mountain Driving Academy
Trussville, AL 35173
8/1/2016
★★★★★
Mr. Lindquist was the ideal driving instructor for my 16 year old daughter. Excellent experience. Total pro.

Spring Lake Market & Fabrics
Savannah, NY 13146
7/30/2016
★★★★★
I love this store .. my parents brought me here when I was young and now I bring my kids.

Brief History

Subject to research

Scope and Coverage

It covers information on many business categories including the URLs of the companies' websites and brief description on each category. It also can be considered as a marketing place for any business website.

Kind of Information

This directory provides information on a variety of categories. Those categories can also be browsed by their countries. Some of those are animals and pets, arts, business and professional services, foods and dining, shopping and retail, travel and transportation, industry and agriculture, real estate, sports and recreation and so on. While each of those categories is clicked on, a small description on that category can be seen in a box. Then the names of popular cities can be seen under which lists of websites are given. Each website is given with a brief description, contact detail and URL. Such as, *health and beauty* category shows country wise result as follows:

New Jersey - Physicians Surgeons Doctors search results
