trivago GmbH

Brief History

The company was founded in January 2005 in Düsseldorf, Germany by college friends Rolf Schrömgens, Peter Vinnemeier, Stephan Stubner and Malte Siewert.

Scope and Coverage

trivago's hotel search allows users to compare hotel prices in just a few clicks from more than 200 booking sites for 1.3 million hotels in over 190 countries. With trivago one can easily find your ideal hotel at the lowest rate. Simply enter where

he/she wants to go and desired travel dates, and hotel search engine compare accommodation prices. To refine one's search results, simply filter by price, distance (e.g. from the beach), star category, facilities and more. From budget hostels to luxury suites, trivago makes it easy to book online. You can search from a large variety of rooms and locations across India, like Shimla and Jaipur to popular cities and holiday destinations abroad. trivago is a hotel search with an extensive price comparison. The prices shown come from numerous hotels and booking websites. This means that while users decide on trivago which hotel best suits their needs, the booking process itself is completed through the booking sites which are linked with trivago site. This site contains information of different languages.

Kind of Information

Each entry covers list of hotel with marking and price. Searching with date, room can be possible. By clicking on the "view deal" button, you will be forwarded onto a booking site where one can complete the reservation for the hotel deal found on trivago.

The screenshot displays the trivago search results for Shimla. The search criteria are 'Shimla' and 'Double Room'. The results are sorted by popularity. The first listing is 'Oberoi Wildflower Hall' with a 5-star rating and 'Excellent' review score of 91/100 based on 310 reviews. It is 7.2 km from the city center. The price shown is ₹21,797, which is a discount from ₹25,198. The second listing is 'Snow Valley Resorts' with a 3-star rating and 'Very good' review score of 80/100 based on 38 reviews. It is 3.4 km from the city center. The price shown is ₹4,840, a 21% discount from ₹6,134. The third listing is 'City View' with a 3-star rating and a price of ₹15,296. The interface includes filters for stars, rating, price, and distance, as well as a 'Go to map' button.

Special Features

- ❖ One can select hotel by marking and any changes of this hotel-price that is to be informed by this site.

Arrangement Pattern

Entries are arranged as per rating i.e. excellent, very good, good etc. When entries are searched by places hotels of different rating appears accordingly.

Remarks

This is helpful for travellers booking a hotel or searching hotel at least price or selecting the hotel according to their criteria. It is very useful for travellers for

decision making.
