Government of United Arab Emirates

Brief History

The United Arab Emirates consists of seven emirates: Abu Dhabi, Dubai, Sharjah, Ras Al Khaimah, Ajman, Umm Al Quwain and Fujairah

Scope and Coverage

Government.ae: The Official Portal of UAE Government covers the G2G services offered by the UAE Government, information services for visitors, for businesses, for individuals, events, initiatives of Governments etc. 336 e-services are provided. 3658 services found till date.

Kind of Information

Government.ae: The Official Portal of UAE Government holds information about UAE's all governmental services. Services are categorized for individuals, businesses, visitors and government. There are several types of information that are described below.

There are various Government **initiatives** that may be accessed or download from the link. They are shown in the picture. It is should be mentioned that most of the information in the initiative portion are presented in Urdu language.

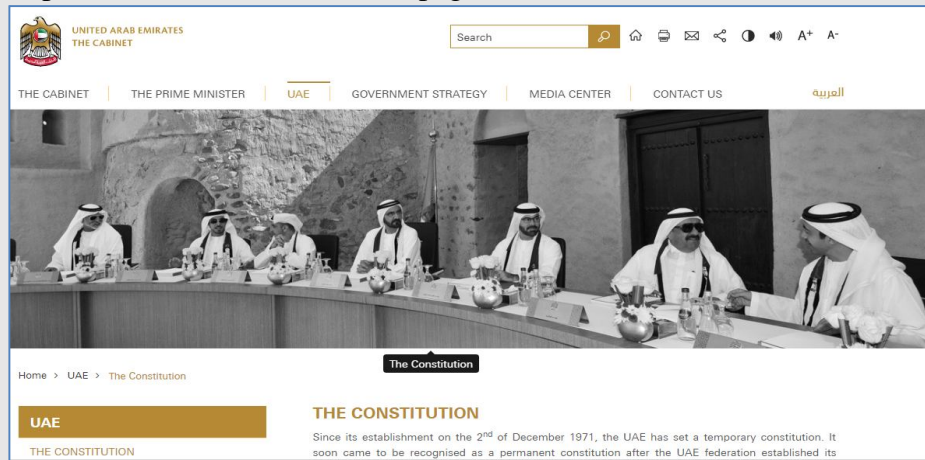

The Spirit of Union section throws light on the great leaders who laid the foundation of the UAE and brought glory to the nation by setting up a new path of progress.

The UAE Governance Section has nine parts from which visitors can get information according to their need. They are...

- The Constitution
- The Supreme Council
- President of the UAE and Ruler of Abu Dhabi
- Vice-President and Prime Minister of the UAE and Ruler of Dubai
- The Cabinet
- The Federal National Council
- Federal Judicial Authority
- Federal entities
- and Local entities

Each part is linked with their homepage. Such as...

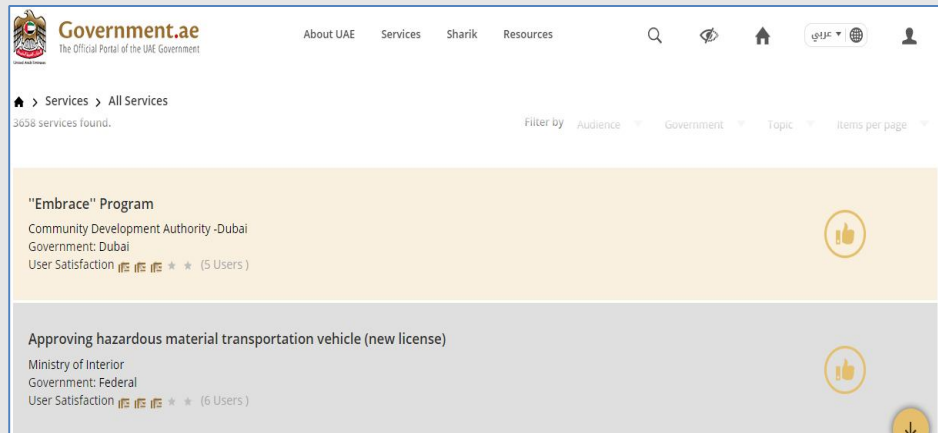

(The Constitution)

Information about **G2G services** provides a brief about the G2G services offered by the UAE Government and the ways to avail them.

(Description, services and useful links are provided in supporting each service.)

There are so-many **e-services** from which visitors can also be benefitted. A few of them are shown below.

Apart from that visitors can get information about services for individuals, businesses, visitors etc. They are described below.

Individuals: Information about searching for job, driving a vehicle etc.

Visitors: Essential information about UAE, Applying Visa etc.

Businesses: All the business related information can be accessed such as Planning a business etc.
